The Story of Incessant LOVE for ROYAL

Loyalty Pledge Fellowship

The inaugural night of the Loyalty Pledge was held on April 25th at the Skills Centre in recognition of all the 'Members' of the Loyalty Pledge who had pledged donations ranging from Rs 500/= to Rs 50, 000zz/= from the year 2003 to 2014. The get-together was organized to foster fellowship among Royalists who would ideally form a strong core to motivate more Royalists to "repay the debt", to their alma mater.

Annual Medical screening camp

This programme will be made an annual event of the Loyalty Pledge calendar much like the Medical screening camp and the annual 'Help A Needy Student' Scholarship Programme, the flagship programme of the Loyalty Pledge, which has also received generous donations from the current membership parallel to the membership donations.

You can be a part of the Loyalty Pledge beyond financial contributions. We are looking for multi-skilled Royalists who can commit quality time to drive various projects and deliver results.

Please send a brief resume indicating your area of interest to:
